

Strategies for NBS and Midwife Collaboration

- 1. Create midwife-friendly, accessible, and comprehensive educational materials**
- 2. Use accurate and respectful language (e.g., CPMs)**
- 3. Provide NBS trainings/workshops – with CEUs!**
- 4. Dialogue with a midwife – coffee date!**
- 5. Attend a local midwifery conference – network!**
- 6. Find a NBS community midwifery champion**
- 7. Host listening sessions with community midwives**
- 8. Lend interprofessional support – include midwives in conversations with professionals**
- 9. Be a bridge: help midwives locate resources and establish relationships**
- 10. Never stop learning – use existing resources!**
